being paid out of the Corporation funds the Commissioner Requests Sanction to the Resolution of the Corporation and to meet the expenditure out of the provision of Rs 50.000/- made in the Current years Budget for petrol and other charges in the Engineering Section

3) It may be observed that as the G.O sanctioning the maintenance allowance of Rs 200/- p.M for the Commissioner's Car it has been specifically ordered that any excess expenditure over this sum should be met by the Commissioner So the terms of this G.O the Commissioner is not entitled to claim for payment of these bills from the Corporation funds

4) But the allowance of Rs 200/- now sanctioned may be inadequate for meeting the running cost, the pay of the Driver and also the Repairs to the Car in the present abnormal conditions. The jurisdiction of the Corporation is also very wide It may not be reasonable and fair to expect the Commissioner to pay, these
